

Leading Inclusive Physical Activities Level 2

Transcend Award - 2 Day Programme

OVERVIEW

The Transcend Level 2 Award in Leading Inclusive Physical Activities in Modified Multi Sports is designed for individuals looking to lead safe and engaging physical activity sessions across a wide range of participants. This qualification supports roles in schools, community settings and commercial leisure environments, providing learners with the skills to promote inclusivity in sport and physical activity.

Delivered fully face-to-face over a two-day programme by Educationwise, learners gain practical experience and hands-on skills while developing the confidence to lead inclusive physical activity sessions. The course is structured to support beginners and those entering activity leadership roles, with a strong focus on accessibility, engagement, and adapting activities to meet the needs of all participants.

Key Features

- Develops the skills to lead safe and inclusive physical activity sessions across different environments
- Builds understanding of inclusion strategies such as the Inclusion Spectrum and STEP model
- Strengthens confidence in planning and delivering engaging multi-sport activities
- Focuses on adapting activities to meet the needs of diverse groups and abilities
- Supports communication, leadership, and professional practice in activity delivery
- Delivered over two intensive days with interactive, practical tutor-led learning
- Progression into wider sport, coaching, and physical activity leadership qualifications

The following three units must be completed for the full qualification

Module	Topic
1	Duties of an inclusive physical activity leader
2	Driving engagement as an inclusive physical activity leader
3	Deployment expectations of an inclusive physical activity leader

Leading Inclusive Physical Activities Level 2

Transcend Award - 2 Day Programme
