

Aspiring Manager, Future Leader: Health & Fitness

EDUCATION
WISE

CMI Endorsed - Level 3 Equivalent

OVERVIEW

The Aspiring Manager, Future Leader programme is designed for individuals working within the sport, health and fitness sectors who are ready to progress into management and leadership roles. This CMI-recognised course develops the practical skills, confidence and knowledge required to lead teams, improve performance and contribute to organisational success.

Delivered flexibly through a remote learning platform by Educationwise, learners can study at their own pace while balancing work and personal commitments. With approximately 40 guided learning hours and no formal exams, the programme focuses on applied leadership tasks and real-world impact, supporting progression into supervisory and first-line management positions.

Key Features

- Develops practical leadership and management skills aligned with industry standards
- Builds confidence in leading teams, driving performance, and supporting organisational strategy
- Strengthens skills in communication, emotional intelligence, time management, and decision-making
- Focused on applied leadership tasks with no formal exams or assessments
- Includes full CMI membership with access to professional resources and networking opportunities
- Leads to a digital certificate endorsed by the Chartered Management Institute
- Awards Foundation Chartered Manager (fCMgr) status on completion

Progression

Completion of this qualification can lead to:

- Progression into supervisory, team leader, or first-line management roles
- Roles supporting teams and projects across sport, health, fitness, and business settings
- Opportunities to build leadership confidence and contribute to organisational success
- A strong foundation for further study in management, leadership, and professional development
