Additional qualifications included

- Level 2 Maths and English if you do not already hold them.

How you will learn

A mixture of bi-weekly online sessions and face-to-face visits where required. You will have a dedicated tutor who is there to guide you through your training programme. As well as your tutor, you will have access to learning and support materials online to support you with your allocated off-the-job training each week.

Learner Journey

Once learners have completed their training and reached Gateway they move on to the End-Point Assessment which takes place over a three-month period. This includes a panel interview, a presentation with questions and answers and a practical observation. Learners who successfully complete the programme will achieve the Level 3 Customer Service Specialist apprenticeship standard, a nationally recognised qualification.

End-Point-Assessment (EPA) – 3 Months Period

- Presentation with questions
- Practical observation
- Professional Discussion

Off-The-Job Training

Off-the-job is where you will need to log evidence of learning activities that fall outside of your normal working environment but is still classed as learning towards your apprenticeship. The number of hours you need to log throughout your apprenticeship will be discussed at enrolment.
