Additional qualifications included

- Level 2 Maths and English if you do not already hold them.

How you will learn

A mixture of bi-weekly online sessions and face-to-face visits where required. You will have a dedicated tutor who is there to guide you through your training programme. As well as your tutor, you will have access to learning and support materials online to support you with your allocated off-the-job training each week.

Learner Journey

Once learners have completed their training and reached Gateway their portfolio and progress will be reviewed by both the employer and training provider. If ready, the apprentice will move into the End-Point Assessment, which takes place over a three-month period. This includes a practical assessment, a project presentation and a professional discussion supported by the learner's portfolio of evidence.

End-Point-Assessment (EPA) – 3 Months Period

- Professional Discussion (60 mins)
- Presentation with Questions (50 mins)
- Portfolio Based Interview (30 mins)

Off-The-Job Training

Off-the-job is where you will need to log evidence of learning activities that fall outside of your normal working environment but is still classed as learning towards your apprenticeship. The number of hours you need to log throughout your apprenticeship will be discussed at enrolment.
