MULTIPLY

Short Course

Level 2 Equivalent

Staffordshire

3 Hours

Fully funded for eligible learners

- 19+ Years of age
- UK resident for the last 3 years
- Do not hold a Level 2 Qualification in Maths

HOW IT WORKS

Our Numeracy for Financial Empowerment course is an excellent opportunity to build your confidence in Numeracy without the long term investment of completing a lengthy qualification.

It is designed to help Learners improve their life prospects, teaching basic tips and tricks to help build a life that is financially secure.

The course is 3 hours in length and will be delivered via a Teams Call, meaning you can take the course from the comfort of your own home.

Curriculum

1. Real-time problem-solving with tutor guidance
2. Creating and managing a simple budget
3. Using measurements in daily life
4. Learning is applied to real life scenarios

This course is brought to you in collaboration with Skills For Life

Improve your finance and numeracy skills

Demonstrate your ability to manage budget and solve problems

Access to the internet and a computer are required for this course
