- Not enrolled in another government funded course

How It Works

Over an 24-month programme, you'll develop the skills, knowledge, and behaviours necessary for the End Point Assessment (EPA).

This journey includes classroom sessions, mentoring, off-site visits, and 20% off-the-job training.

At the Gateway stage, your progress is reviewed in preparation for the EPA, which assesses your proficiency through observation with questioning and a professional discussion underpinned by a portfolio of evidence.

Curriculum Includes

1. Support inclusive learning environments
2. Promote positive behaviour and well-being
3. Plan and deliver effective learning activities
4. Undertake assessment and evaluation
5. Collaborate with stakeholders
6. Implement research-informed practices
7. Specialist pathway development
8. Professional reflective practice
9. Support professional development
10. Sustainability and inclusion in education

Learners will obtain a Level 5 Specialist Teaching Assistant Qualification

Learners yet to pass Maths or English will obtain a Level 2 qualification

Training is carefully tailored to meet specific business needs

A blend of weekly online classes and quarterly face-to-face visits
