

### OVERVIEW

The Level 2 Community Activator Coach apprenticeship helps learners develop the knowledge and skills needed to inspire and engage people in sport and physical activity within local communities. It creates opportunities for individuals to support health, wellbeing, and participation while giving employers staff who can run safe and inclusive sessions.

The programme introduces the fundamentals of coaching, activity delivery, and community engagement. Learners gain an understanding of safeguarding, behaviour management, and how to use sport to positively impact participants. The apprenticeship combines practical delivery with structured learning.

### Additional qualifications included

- Level 2 Maths and English if you do not already hold them.

### How you will learn

A mixture of bi-weekly online sessions and face-to-face visits where required. You will have a dedicated tutor who is there to guide you through your training programme. As well as your tutor, you will have access to learning and support materials online to support you with your allocated off-the-job training each week.

### Learner Journey

Once learners have completed the training phase and passed through Gateway, they move on to the End-Point Assessment, which takes place over a three-month period. The End-Point Assessment includes a practical observation, a presentation with questions and answers, and a professional discussion based on the learner's portfolio. Successful apprentices will achieve the Level 2 Community Activator Coach Apprenticeship.

### End-Point-Assessment (EPA) - 3 Months Period

- Practical Observation (1 hour)
- Professional Discussion (45 mins)
- Portfolio of Evidence and Interview (90 mins)

### Off-The-Job Training

Off-the-job is where you will need to log evidence of learning activities that fall outside of your normal working environment but is still classed as learning towards your apprenticeship. The number of hours you need to log throughout your apprenticeship will be discussed at enrolment.
